

PSED Personal, Social & Emotional Development	Autumn Term 1 All About Me / Autumn / People Who Help Us	Autumn Term 2 Winter Wonderland	Spring Term 1 Our World and Beyond	Spring Ter All the Color the Rainbe	urs of	Summer Term 1 Once Upon a Time	Summer Term 2 The Garden of Life	
Core Themes	Living in the Wider World		Health and Wellbeing		Relatio	nships		
	EYWW1: That people and other and that they have responsibilit EYWW2: That they belong to vacommunities such as family and EYWW3: To help construct, and and class rules and to understal	Pupils should have the opportunity to learn: EYWW1: That people and other living things have needs and that they have responsibilities to meet them. EYWW2: That they belong to various groups and communities such as family and school. EYWW3: To help construct, and agree to follow, group and class rules and to understand how these rules help them. EYWW4: To consider how they can contribute to the life of the classroom.		Pupils should have the opportunity to learn: EYH1: The importance of and how to maintain personal hygiene. EYH2: What constitutes a healthy lifestyle. EYH3: The benefits of exercise, rest, healthy eating and good dental health. EYH4: About growing and changing EYH5: About new opportunities and responsibilities that increasing independence may bring. EYH6: To recognise their shared responsibility for keeping themselves and others safe. EYH7: The names for the main parts of the body and the similarities and differences between boys and girls		Pupils should have the opportunity to learn: EYR1: Which are their special people (family, friends, carers), and what makes them special EYR2: How special people should care for one another. EYR3: How to listen to other people and play and work cooperatively EYR4: Strategies to resolve simple arguments through negotiation EYR5: To recognise how their behaviour affects other people.		
PSHE	towards simple goals, being abl saying (EYR3 / EYWW4) Respon Managing Self Be confident to try new activitie behave accordingly (EYR5 / EYW (EYH1 / EYH2 / EYH3 / EYWW4) Building relationships	te to wait for what they wand appropriately even when the sand show independence their own but take turns with others (I	ers (EYH5 / EYR4 / EYWW1 / EYWW4 ant and control their immediate impo n engaged in an activity and show th e, resilience and perseverance in the asic hygiene and personal needs, inc EYH5 / EYH6 / EYR2 / EYR3 / EYR4 / E	ulses when appropriate e ability to follow instruface of a challenge. (EY luding dressing, going to	(EYR3 / EY actions invo (H6) Explain o the toiled	WW3 / EYWW4) Give focussed a olving several ideas or actions. (E in the reasons for rules, know right and understanding the importa	ttention to what the teacher is YR3 / EYWW4) Int from wrong and try to name of healthy food choices	

3-4 Year-olds will be learning to... (Dev. Matters)

Select and use activities and resources, with help when needed. This helps them to achieve a goal they have chosen, or one which is suggested to them.

- Develop their sense of responsibility and membership of a community.
- Become more outgoing with unfamiliar people, in the safe context of their setting.
- Show more confidence in new social situations.
- Play with one or more other children, extending and elaborating play ideas.
- Find solutions to conflicts and rivalries. For example, accepting that not everyone can be Spider-Man in the game, and suggesting other ideas.
- Increasingly follow rules, understanding why they are important.
- Remember rules without needing an adult to remind them.
- Develop appropriate ways of being assertive.
- Talk with others to solve conflicts.
- Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'.
- Understand gradually how others might be feeling.

Be increasingly independent in meeting their own care needs, e.g. brushing teeth, using the toilet, washing and drying their hands thoroughly.

• Make healthy choices about food, drink, activity and toothbrushing.

CL Communication & Language	Autumn Term 1	Autumn Term 2		Spring Term 2	Summer Term 1	Summer Term 2	
	All About Me /	Winter	Spring Term 1 Our World and	All the Colours of		The Garden of Life	
Themes	All About Me / Autumn / People Who Help Us	Wonderland	Beyond Beyond	the Rainbow	Once Upon a Time	The Garden of Life	
Speaking	Use simple sentences with 3-4 different things Use objects or what I mean when I am talking what, where and who. Beginni as I am going. Using new word doing	gestures to help me explain g Ask questions such as ing to use word endings such	Begin to use longer sentences, sometimes using and because. Talk about something that has happened yesterday Ask lots of questions and answer questions. Talk about what they are doing now and what might happen later or tomorrow. Clarity of meaning when they are trying to describe something. Use lots of new vocabulary about things that interest me. Pretend about things I am doing and describe what I am doing. More able: Use a range of vocabulary to tell you about something I have made or done. Use new words whilst I'm playing. Pretends to be different people with appropriate dialogue. Use words such as first, next, last when they tell you what they have done. Make up stories using what I know. Make up silly rhymes. Use alliteration (simple) Use different voices when telling stories.				
Language / speech development / provision	 New vocabulary; introduced through core texts, stories, Sounds Write and 'Word of the Day' – (Vocabulary Ninja) 'Words in Action' – new vocab displayed around book of the week with a pictorial prompt, children will find examples from around the environment and make a collection. Role play – life area / themed role play and puppet theatre for retelling. (Modelled, self-initiated and supported) Conversations modelled. Children's sentences copied back to them including more / a higher level of vocabulary. Small group conversations with peers and teacher Development of full sentence use (modelled and MTYT strategy and stem sentences) Snack time used for language development of manners / full sentences / peer questioning Ten second rule used by all staff allowing children an appropriate thinking and response time to questions. Non-verbal communication cards for behaviour expectations. Listening, attention and social communication skills 						
3-4 yr olds will be learning to	 Enjoy listening to lor Pay attention to more than Use a wider range of vocabu 						
(Dev. Matters)	Understand a question or insUnderstand 'why' questionsSing a large repertoire of sor	struction that has two parts, so s, like: "Why do you think the c ngs.	uch as "Get your coat and wait at aterpillar got so fat?" and be able to tell a long story.	the door".			

- Develop their communication, but may continue to have problems with irregular tenses and plurals, such as 'runned' for 'ran', 'swimmed' for 'swam'.
- Develop their pronunciation but may have problems saying: some sounds: r, j, th, ch, and sh multisyllabic words such as 'pterodactyl', 'planetarium' or 'hippopotamus'
- Use longer sentences of four to six words.
- Be able to express a point of view and to debate when they disagree with an adult or a friend, using words as well as actions.
- Start a conversation with an adult or a friend and continue it for many turns.
- Use talk to organise themselves and their play: "Let's go on a bus... you sit there... I'll be the driver."

UTW Understanding the World	Autumn Term 1 All About Me / Autumn / People Who Help Us	Autumn Term 2 Winter Wonderland	Spring Term 1 Our World and Beyond	Spring Term 2 All the Colours of the Rainbow	Summer Term 1 Once Upon a Time	Summer Term 2 The Garden of Life
Science	Animals including humans/ nocturnal animals Make observations of plants and animals. Show care and concern for living things and the environment Talk about plants Talking about human needs in terms of sleep, rest and relaxation. That the natural environment and world around them supports them to live and grow; Begin to understand the importance of a healthy diet. Sound / materials Understand that we hear sounds with our ears. Identify that sound can be manipulated to make it louder or quieter.	Seasonal changes/ freezing / materials/ Polar habitats Talk about natural and found objects Name some animals and plants from different habitats. Talk about the features of their own immediate environment and how environments might vary. That there are different natural environments around the world that have specific characteristics Asks questions about aspects of their familiar world. Investigate objects and materials by using all of their senses as appropriate.	Stars / space / light / Sound/ electricity Know some things need electricity to power them. Know that batteries provide electrical power. Develop observation skills and look closely at similarities, differences, patterns and change Begin to ask questions about why things happen and how things work. Begin to understand that there are things that scientists currently do not know. Animals including humans Explain what their five senses are Can name their 5 senses Begin to understand the importance of a healthy diet. Pets and vets —	Seasonal change / light / materials water investigations Know that dark is the absence of light. Begin to understand that light comes from a light source. Begin to experiment with colour. Observe what happens to water when it is poured, sprinkled, mixed, stirred and squirted. Materials of clothing worn in different seasons. Investigate objects and materials by using all of their senses as appropriate. Talks about differences between materials and changes they notice.	Animals (underground) / plants / forces Make observations of plants and animals. Show care and concern for living things and the environment Talk about plants Begin to identify some similarities and differences in relation to living things Make observations about plants and explains why some things occur/change	Plants / materials Make observations of plants. Learn about the things that plants need in order to survive. Experience planting and taking care of plants. Investigate objects and materials by using all of their senses as appropriate. Know that temperature can change materials in both reversible and irreversible ways such as melting ice, chocolate or baking bread; Notice changes that happen in the natural world

	Show understanding that the natural environment and world around them supports them to live and grow;	Sounds Begin to understand that different materials make different sounds. Explore and investigate objects and materials using all senses Talk about differences between materials and changes they notice. Explore collections of materials, identifying similar and different properties	looking after animals How to respect and care for the natural environment and all living things. Link to Spring and new life.	Explore collections of materials, identifying similar and different properties That there are four seasons across the year, and they affect temperature. Plants and animals react to seasons in the way they grow and their natural life cycles		
Working like a scientist.	behave, carry out simple test	how things behave, ask questi s with adult support, use simp	le equipment to observe, talk	about what they have done an	ngs behave, use senses to look d what noticed	closely at how things
History (Past and Present)	EYFS How their families and themselves have changed from the past / toys they used to play with when they were babies Olden day school games – compare to what we have and do today including rhyme games	EYFS Richard Weber – Arctic explorer – finding out about his 7 expeditions to the North Pole.	EYFS Famous people from the past - Neil Armstrong / Helen Sharman Piet Mondrian – Link to primary colours (EAD)	EYFS Famous people from the past – Henri Matisse – famous artist	EYFS Stories passed down - Traditional Tales Memories – discussing memories from our memory tree of their time in nursery, recalling events in own life.	EYFS Special events that have been celebrated in their own lives and those of their parents such as weddings, birthdays etc. Study of family history / family tree.
Geography (People, Culture and Communities)	Familiarisation with school grounds, making simple maps of outdoor areas and looking at the features and use of their environment use, using simple geographical vocabulary to refer to physical and human features Our local area.	Know that there are different countries in the world and study contrasting country – (Weather, homes, lifestyle)	Look at the world map. Simple study of contrasting countries around the world.	Weather – seasons – study of spring. Making simple maps and plans, treasure maps.	Simple study of a contrasting hot country. – Link to Handa's surprise	Weather – seasons – study of Summer holidays and day trips – looking at physical and human elements of places to visit.

RE

Special Books

EYFS -Bring in their special / favourite books. invite a staff member to talk about a special book they have. Look at different special books from different religions.

RECEPTION

Special People

Children to talk about their families and make a button portrait. Take a walk into Gainford - place of worship, shop, and a service (docs) ask people in the community to talk about what their jobs / roles are. Invite the head teacher / another teacher from school or a religious leader to come and talk about who is special to them, their beliefs and a little bit about themselves

F1 Why is the word God so important to Christians?

F2 Why do Christians perform Nativity plays at Christmas?

Special Times

EYFS -Children to share their special objects from home. Ask parents to contribute by sending in photos of their special objects with reasons why

Being Special: where do we belong? Recall bible stories

Share memories of special occasions What happens at a traditional Christian Baptism?

RECEPTION

Special Times

Show the children a range of objects that would give clues to different times of the school day. Discuss why each signifies a special time. Ask children what special times they have at home and record in picture form with simple caption Watch a video about special times and focus on the clothes people wear. Plan and hold a celebration of the children's choice – it could be a birthday. Hold a special times parent session to share all of the work they have done and share a special time with their family in school.

F4: Being special: Where do we belong? F3 Why do Christians put a cross on an Easter Garden?

Special Places and Objects

EYFS-Look at special times in children's lives - their birthday, holidays, first day of nursery / school. Discuss feelings associated with this. Special times diary - in school and ask families to contribute to a home example

RECEPTION

Special Places

Take a walk around the whole school building and talk about special places within school. Create a simple caption of their favourite. Visit a place of worship and talk about its features, explore the building. Think about our world being a special place – show lots of photos of fantastic people places etc chn to record their thinking. Work together to create a special area in the outdoor area or enchanted garden – it could be an existing one or creating a new area. Work together to create a special area in the classroom – it could be enhancing an existing one or creating a new area

F6 Which stories are special and why?

F5 Which places are special and why?

RE Celebrations

Studies through links and patterns in their own experiences, showing curiosity about objects, events and people, using sense to explore the world around them, representing experiences in play, acting out experiences of others. Recall events from Bible stories shared in collective worship. Perform in the Nativity at Christmas. Take part in church services for Harvest, Christmas and Easter.

When possible, invite guests from the local area to talk about their different faiths and communities.

Judaism - Rosh Hashana Hinduism – Onam Christianity – Christmas (December) Islam - Mawlid al-Nabi (October Sikhism – Guru Nanak Urparab (November)

Buddhism – Bodhi day (Jan) Hinduism – Rama Navami Hinduism – Holi (Colour run?) Christianity – Easter Sikhism – Nam Karan Hinduism – Raksha Bandhan Buddhism – Wesak (May) Judaism - Shavout Islam - Dhu Al-Hijja Christianity – Bible stories

3-4 Year-	• Take part in simple pretend play, using an object to represent something else even though they are not similar.								
olds will	• Begin to develop complex stories using small world equipment like animal sets, dolls and dolls houses etc.								
be	Make imaginative and complex 'small worlds' with blocks and construction kits, such as a city with different buildings and a park.								
learning	• Explore different materials freely, develop their ideas about how to use them and what to make.								
to	• Develop their own ideas and then decide which materials to use to express them.								
	Join different materials and explore different textures.								
(Dev	• Create closed shapes with continuous lines and begin to use these shapes to represent objects.								
Matters)	 Draw with increasing compl 	• Draw with increasing complexity and detail, such as representing a face with a circle and including details.							
	• Use drawing to represent ideas like movement or loud noises.								
	• Show different emotions in their drawings and paintings, like happiness, sadness, fear etc.								
	Explore colour and colour-mixing.								
	• Listen with increased attention to sounds.								
	• Respond to what they have heard, expressing their thoughts and feelings.								
	• Remember and sing entire songs. • Sing the pitch of a tone sung by another person ('pitch match').								
	• Sing the melodic shape (moving melody, such as up and down, down and up) of familiar songs.								
	• Create their own songs or improvise a song around one they know.								
	Play instruments with increasing control to express their feelings and ideas.
