

On behalf of Gainford C of E Primary School

GOFUNDME -

16.01.20

Do you work for or know a business that may make support us ?

As part of a nationwide initiative we have been offered the chance to increase our school reading resources through a partnership between local businesses and other community organisations and Usborne Books at Home and School, a division of Usborne Publishing, a highly respected children's publisher.

We invite you to make a small donation to buy a book or books for our school to increase their library stock. If you would like to donate please visit www.gofundme.com/f/gainfordschool

We are aiming to collect **£600** in donation for the school, and Usborne will then generously provide an additional **£360** worth of free books on top of this.

All businesses supporting us will receive acknowledgement in the next school newsletter, school website and social media which will be shared with parents / carers and the local community. You can also request a donor's poster to proudly display in your work place.

The local co-ordinator of this scheme for Usborne is Sarah Lomas who is an Independent Usborne Schools Representative and is duly authorised by me to promote this scheme with Gainford C of E School being the beneficiary of all books purchased.

I do hope you will take part in this scheme, which will help raise the literacy standards of our community's next business generation.

Yours faithfully

Sarah Lomas
