

AUTUMN TERM

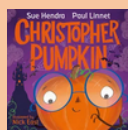

SETTLING IN

We are so happy with how our children have settled into Swale Class. We are making lots of friends, settling in to routines and discovering new things everyday! So far the children are loving drawing club and our Forest School Adventures!

DRAWING CLUB

In Drawing Club we use our imagination to take us to fun and interesting places! This term we will be looking at a range of books, traditional tales and old cartoons.

AUTUMN TOPICS

We will start with 'Marvellous Me' as we get to know one another. Then we will move into 'Autumn Treasures' which will help us better understand our natural world and prepare for Harvest. After Half Term we will focus on celebrations, including Bonfire Night, Eid and Christmas.

WHAT HAPPENS WHEN...

Monday - Reception Reading Books are changed.

Wednesday - Forest School (wellies and wet weather clothing needed).

Thursday - PE. (PE Kits in school please).

MATHS

In Swale Class, maths is all about hands-on discovery! The children will be exploring fundamental concepts like sorting, matching, comparing quantities, and recognizing patterns in the world around them.

To boost their confidence further, we are also embedding Mastering Number sessions. These fun, active sessions give children a deep understanding of core numbers, laying the essential groundwork for flexible, confident mathematical thinking as they grow!
