After School Childcare Information for Parents

Booking After School Childcare Sessions:

A contract form will be sent home prior to every half term, which we ask you to complete with the dates and sessions you wish to book. Please can you ensure that this is completed and returned to the school office before the start of the new half term. It is essential that this is done, as office staff cannot assume you wish to continue with sessions from the previous half term. If you wish to add sessions after that, please ensure that you contact the office as soon as possible, so that registers can be amended.

Late bookings can be made, but are dependent on the number of places available that day. Please phone the school when making late bookings, as emails may get missed. We can also confirm that there are places available.

Please do not make verbal requests to childcare staff, as they are not responsible for maintaining bookings.

Charges – If you need to cancel your session that was booked, you will still be charged for the original booking. This is because we plan staff cover for ratios and safeguarding, plan and buy food for the wraparound care bookings and ensure the bookings made are fairly, on a first come first served basis.

Only on exceptional circumstances would your charge not be applied when cancelling the booking.

Considerations

1. Extra-Curricular Clubs - If your child is attending an extra-curricular club in the main school between 3:30pm and 4:30pm, you will be charged the same as the first hour of After School Childcare, £4.50. At the end of the extra-curricular club, your child will be taken to the Sunshine Room by a member of staff, and they will join the rest of the children in After School Childcare (if they are remaining in our care after 4:30pm).
2. Contacting the After School Club after Office Hours - Should you have any problems collecting your child from the After School Club please telephone the school on the school number 01325 730274. There will still be someone available to answer your call.
3. Collecting your Child - In the interests of safeguarding your child, please can you ensure that you inform the school office if someone other than the usual person is going to collect your child from After School Childcare. Please can you ensure that your child is collected promptly from the 4:30pm – 5:30pm session as staff only work up until this time. If you collect your child after 5:30pm, you will be charged an additional £5 to cover extra staffing costs and their inconvenience.

If you have any queries, please contact the office on 01325 730 274.
